TUESDAY, July 10, '94.

The following councilmen were present: Crutcher, Ellwanger, Heffner, Haly, Marshall, Pruett, Sower, Tobin, Utterback and Williams. Absent—Miles and Fortune.

Mrs. Margaretta M. Barret presented a petition asking that her assessment of \$10,000 on bonds be reduced to \$3,500. Referred to finance committee.

Dr. O. H. Reynolds asked permission to erect two-story frame dwelling on his lot in South Frankfort. Granted.

The City Attorney made his report on the question of back taxes due from the banks, showing that something over \$46,000 taxes were due for the years '92-93-94.

Mr. Marshall offered a resolution, which was unanimously adopted, directing the Attorney to take the necessary steps to collect the taxes, and to confer with the Mayor and finance committee as to what steps should be taken.

Accounts against sundry persons for building and improving sidewalks, were ordered turned over to City Marshal for collection.

The question of allowing L. B. Weisenberg to erect a frame building on his lot on East Main street, near the Arsenal, was discussed by Mr. J. A. Scott, and permission was granted to build.

Dr. Sam E. James tendered his resignation as a member of the Board of Health, and it was accepted.

The following ordinances were given their first reading and passage:

To protect the streets and public ways, prohibiting obstructions thereon.

To prohibit and suppress disorderly houses.

To protect officers in the discharge of their duty.

To prohibit the sale or distribution of obscene literature or pictures.

To provide for the widening of Bridge street in South Frankfort.

To fix penalty for defacing or injuring any public property.

To prevent cruelty to animals.

To prevent the discharge of fire arms in Frankfort and prevent the discharging of fireworks of any kind except on July 4th and Christmas.

To better secure good order in the city.

To prohibit gaming.

The Council then adjourned.

Fail to do Their Duty.

Everybody has at times failed to do their duty towards themselves. Hundreds of lady readers suffer from sick headache, nervousness, sleeplessness and female troubles. Let them follow the example of Mrs. H. Herbster, Stevens Point, Wis., who for five years suffered greatly from nervous prostration and sleeplessness, tried physicians and different medicines without success. But one bottle of Dr. Mile's Nerve-cure caused sleep every night and she is feeling like a new person. Mrs. Elizabeth Wheeler Laramie City, Wyoming, who tried all other remedies, declares that after three weeks' use of the Nerve-cure for headache, nervous prostration, &c., she was entirely relieved. Sold by J. W. Gayle. Trial bottles free.

Society on Wheels.

The bicycle craze has taken deep hold on society in Louisville. Third street at night, with the many ladies and gentlemen on wheels carrying lighted lamps, saqueaded a field with myriads of fire flies fluttering hither and thither over it. The ladies here have not caught on to the craze yet but when they do the days of cards, dancing, day dreams, ennui and indoor idleness will have spent its force.

When Travelling.

Whether on pleasure bent or business, take on every trip a bottle of Syrup of Figs, as it acts most pleasantly and effectually on the kidneys, liver and bowels, preventing fevers, headaches and other forms of sickness. For sale in 50c. and \$1 bottles by all leading druggists. Manufactured by the California Fig Syrup Co. only.

Will Jump in Louisville.

Mr. Morton Swango, of this city, goes to Louisville to-day where he will participate in the athletic contest to take place at the Athletic Club in that city this evening. There will be bicycle races, running races, mile walk, jumping, putting the shot, pole vault, &c. Mr. Swango is only entered in the pole vault, and as he already has a record of 8 feet 2 inches and is in good trim for the contest, he will make his opponents do some right lively jumping if they beat him.

Acting as Deputies.

About twenty young men, who were out of employment in this city, went to Louisville Tuesday evening where they were sworn in as deputy sheriffs and are guarding the property of the L. & N. railroad in that city, to prevent the same being destroyed in the event of trouble between the road and its employees some of whom went out in a strike Tuesday.

Grasp the Opportunity.

Our enterprising druggist, P. H. CARPENTER, cordially invites you to try a 25c. bottle of Dr. Hale's Household Cough Cure. This new remedy acts quickly on the bronchial tubes, throat and lungs, lessens the desire to cough and heals mucous membrane. If consumption it will cure you. Pleasant to take. The children like it.

Last June, Dick Crawford brought his twelve months old child, suffering from infantile diarrhoea, to me. It had been weaned at four months old and being sickly everything ran through it like water through a sieve. I gave it the usual treatment in such cases but without benefit. The child kept growing thinner until it weighed but little more than when born, or perhaps 10 pounds. I then started the father to giving Chamberlain's Colic, Cholera and Diarrhoea Remedy. Before one bottle of the 25 cent size had been used, a marked improvement was seen and the continued use cured the child. Its weakness and puny constitution disappeared and its father and myself believe the child's life was saved by this remedy. J. T. MARLOW, M. D., Tarama, Ill. For sale by PHIL. CARPENTER, South Side Drugist.

Guess For \$1,000.

The Weekly Courier-Journal has announced another of its popular guessing contests, taking the temperature at Louisville during the month of August as basis. One thousand dollars in cash will be given free as presents to the new and old renewing subscribers who guess the hottest day, at Louisville, during August, and give the closest guess to the highest temperature the Weather Bureau thermometer will reach on that day. The subscription price of the Weekly Courier-Journal is \$1 a year. Each guess must be accompanied by one yearly subscription. No newspaper published in the United States has been so liberal to its subscribers, or has offered such liberal prizes to secure new subscribers, as the Courier-Journal. During the past eighteen months it has given away in presents, absolutely free, \$17,400 in money, not to mention such premium articles as sewing machines, watches, guns, etc. This in spite of the business depression, that is felt as much or more in newspaper offices than in any other business. The Weekly Courier-Journal has just announced the lucky guessers in its May rainfall contest. There were 222 of these guessers, distributed over the States of Alabama, Arkansas, Kentucky, Texas, Tennessee, Mississippi, Indiana, Virginia, Missouri, Louisiana, Illinois, Iowa, Ohio, Pennsylvania, Nebraska, Kansas, Indian Territory, Michigan, South Carolina, South Dakota, West Virginia, New York, California, Florida, Washington and Oklahoma. No better indicator of the circulation of the Weekly Courier-Journal could be had than this list. Sample copies of the paper, with full details and blanks may be had by sending a request on a postal card. Address Weekly Courier-Journal, Louisville, Ky. The contest closes July 31st.

An Interesting Letter.

"The following letter from Mr. James W. Boughton, an English gentleman, speaks altogether from a disinterested standpoint, as he paid full fare, and had no reason whatever to give a biased opinion:

"LONDON, May, 1894.

"Dear Captain Penwell—I have just returned from a trip to California, during which I experienced the greatest kindness and courtesy from the officials of the Chesapeake and Ohio Steamship Company and Railway Company, by which lines I traveled. Should you have an opportunity at any time of expressing my thanks to them, I shall esteem it a great favor. During my travels through the United States I have passed through much beautiful scenery, but nowhere have I seen anything, which, in my opinion, is more lovely than that of Virginia and West Virginia, through which the Chesapeake and Ohio Railway runs, and I cannot help feeling that if its beauties were better known on this side of the water many travelers who now go by other routes would go by this instead. One other thing I should like to add and that is, that out of all the excellently equipped trains in which it has been my pleasure to travel whilst in the States, the best was undoubtedly the F. F. V. of the Chesapeake and Ohio line. With kind regards,

"Yours very truly,

"JAMES W. BOUGHTON," Cincinnati Commercial Gazette, July 11, 1894.

A Big Crowd Expected.

According to the condition of it. If in bad order it shows itself in pimples, sallow complexion and various eruptions of the skin. If in good order it shows in the clear complexion, the glow of health, the good spirits. The latter condition you can produce by the use of Dr. Hale's Household Tea, the great blood purifier and nerve tonic. 25c. and 50c. a package at P. H. CARPENTER'S drug store.

A Big Offer.

The firm of Mastin Brothers, in this issue of the paper, offer for sale their entire stock of vehicles and harness for cost. They do not by any means propose quitting business, but find their stock too large for the times and have selected this means of reducing it. It is a rare chance to buy a cheap turnout and we feel sure many will avail themselves of the opportunity. Go and see them at once.

W. H. Nelson who is in the drug business at Kingville, Mo., has so much confidence in Chamberlain's Colic, Cholera and Diarrhoea Remedy that he warrants every bottle and offers to refund the money to any customer who is not satisfied after using it. Mr. Nelson takes no risk in doing this because the remedy is a certain cure for the diseases for which it is intended and he knows it. It is for sale by PHIL. CARPENTER, the South Side Druggist.

THE NEW F. F. V. LIMITED.

Important Change in Schedule of the C. & O.'s Pet Train.

Commencing Sunday, May 13th, the F. F. V. Limited will leave Cincinnati daily at 12:20 noon, arriving at Washington at 7:40 a. m., Baltimore 9:00 a. m., Philadelphia 11:20 a. m. and New York 1:40 p. m. The train will consist of Composite Car, Elegant Day Coach, with Smoking Compartment, Dining Car, Pullman Sleeping Cars of the latest and most improved design, and an Observation Car. Emphasis is especially placed on the Observation Car. Built by the Pullman Company from Chesapeake and Ohio plans, the F. F. V. Observation Cars serve their purpose better than any others that have ever been constructed.

As the F. F. V. Limited is the only train having an Observation Car attached, it necessarily follows that the Chesapeake and Ohio R'y alone has scenery interesting enough to demand an Observation Car. The F. F. V. Limited is the only train running through from Cincinnati to New York that enables the business men to transact business in Cincinnati one day and New York the next. It is the only train for Jersey City Coast resorts, which are reached by the F. F. V. at dinner time instead of in the evening. It is the only train that enables business men to transact business in Cincinnati one day and reach Washington for breakfast the next morning. It is the most desirable train for New England resorts, connections being made in the Union Depot in Washington with the Colonial Express running through to Boston which reaches New Haven 4:10 p. m., New London 5:30 p. m., Providence 7:15 p. m. and Boston 8:30 p. m. The F. F. V. is the only modern train lighted throughout with Electricity, carrying a Dining Car and an Observation Car.

The Washington and Atlantic Express, also an Electric Lighted Vestibuled train, will leave Cincinnati at 7:00 p. m., reaching Washington 2:40 p. m. and Old Point Comfort 6:00 p. m. Connection is made at Washington with the Boston Express or the Limited, reaching New York about 9:00 p. m. At Norfolk connection is made with the Old Dominion Steamship Line, reaching New York 3:00 p. m. the next day.

B. Ryan, Assistant General Passenger Agent, C. & O. Ry., Cincinnati, O. GEO. A. LEWIS, Editor and Pub.

FRANKFORT, JULY 14, 1894.

Becoming Frequent.

There seems to be an epidemic of sprained ankles in the city at present. Mr. W. C. Lutkemeier, the Broadway merchant, was coming down from the loft of his stable Sunday afternoon when a step broke under him, letting him fall and spraining his right ankle. Mrs. S. T. Fortune was so unfortunate a week or so ago as to fall at her home on Main street, South Side, and sprain her ankle, and Mrs. George A. Lewis became frightened while riding in a surrey at Eminence, several weeks ago, jumped out and sprained her left ankle. All of these are now walking on crutches.

Suicide.

Lizzie Butler, a colored girl well known upon the streets of this city, went into Henry Emberton's place on Washington street Sunday night, procured a glass of beer and it is supposed poured an over dose of morphine into it and drank it off. The drug took effect in a short time, and although efforts were made to relieve her, she died Monday morning at 6 o'clock.

Going to Leave Us.

Gov. J. Proctor Knott will remove to Danville in the fall, where he is a professor in the Law Department of Centre College. He will, however, retain his law business here and come back to the city occasionally to look after the same.

More Convenient.

New wheels have been placed under the new electric car, No. 4, and it is now running regularly, so that cars pass a given point more frequently and render more efficient service to the public.

Postponed.

The dedication of the new Baptist Church at North Benson, which was to have taken place on the 5th of August, has been postponed until the first Sunday in October.

Ice Cream Supper.

The ladies of the Baptist Church will give an ice cream supper in their Chapel on Thursday evening next, July 19th. If you want to aid a worthy object be sure to attend.

Broke a Rod.

The eccentric rod of the engine at the power house of the electric railway broke early Tuesday morning which prevented the line from being operated for several hours.

Meets With Mt. Carmel.

The Franklin Baptist Association will meet this year with the Mt. Carmel Church at Polsgrove, this county, on Wednesday and Thursday, August 22d and 23d.

Base Ball.

After the meeting of those interested in Base Ball at Mr. L. B. Marshall's office Saturday night, Mr. Ben Marshall was sent to Louisville to secure the loan of a battery from the Louisville Club until our organization could be perfected, and when on Monday morning it was announced that Pepper and Earle would be our battery against Lexington in the afternoon, high hopes of victory were entertained. For the first five innings of the game these hopes seemed justified, as, although Pepper was being hit very freely, Conover had been knocked out of the box. The score at the beginning of the visitors' half of the fifth inning was six to four in our favor, but by four hits in rapid succession, assisted by a couple of errors, the visitors made it 7 to 6 in their favor. When the sixth opened Bradley went in the box for Lexington and only allowed three hits during the remainder of the game. Had Pepper also been relieved by Merchant or Vanderveer at this time the result might have been different, but the former was allowed to pitch the game out and the final score was as follows:

THE TABLES TURNED.

It was originally the intention of the managers to have Pepper and Earle play in both games with the Lexingtons, but as they so signally failed to come up to expectations in the first game, they were allowed to return to Louisville the same evening, and it was decided to see what our home battery could do. Only a few dyed-in-the-wool enthusiasts accompanied the team to Lexington, and when shortly after 6 o'clock it became known that the second game, played in that city Tuesday, had resulted in a victory for our boys, the astonishment and joy among the devotees of the game were about equal, although the best judges had declared that the team as arranged was stronger if anything than it was Monday. Frank Barret at third accepted a number of hard chances without an error, and the fielding and batting of Berry were excellent. Vanderveer and Lindsey did good work on the points, and showed

that more dependence could be placed on them than on a professional battery picked up for the occasion, even though the latter did come from the big league.

The following score is clipped from the Lexington Transcript:

FRANKFORT ROUNDABOUT

FRANKFORT, JULY 14, 1894.

Killed in Indiana.

That Mr. Western B. Thomas, formerly of this city, but recently of Anderson, Indiana, was dead was the startling intelligence which passed from one to another on our streets Thursday morning. The sad news had come by telegraph to Rev. George Darsie only a few minutes before, and when imparted to Mr. Thomas' mother and sisters their grief was heart rending. No particulars were given in the dispatch but the afternoon papers brought the information that he was killed at Brighton Beach, three miles north of Indianapolis, by a man named Winifred E. Smith. The remains arrived here yesterday at noon, over the Kentucky Midland, and the funeral will take place this morning at 8 o'clock from the residence of Mrs. Thomas, on Washington street.

Mr. Thomas was the youngest son of the late L. A. and Mrs. Ellen M. Thomas, of this city, and was born and raised here. Several years ago he removed to Anderson, Indiana, and engaged in the business of manufacturing wire nails, which was prospering and there was a bright future before him. About a year ago he was united in marriage to a young lady of Muncie, Indiana, who is left a widow by his death.

The sad end of this young man has created a profound sensation in this city and there is a universal expression of sympathy for his afflicted family.

Hurt at the Furniture Factory.

John Noske, an employe at the furniture factory of Messrs. Ed. Gaines & Co., got his left hand caught in the grooving machine at that establishment on Thursday and had the thumb and two first fingers so badly injured that one or all of them will likely have to be amputated.

Rebuilding.

Mr. H. R. Williams has commenced rebuilding his livery stable on Second street, which was destroyed by fire several weeks ago.

Shot Himself.

While carelessly handling a pistol Thursday, St. Pitman, of color, who lives in Church alley, put a bullet in his left side, inflicting a painful flesh wound.

WON THE SUIT.

Messrs. Crutcher & Starks Became the Purchasers of Oak Hall.

The suit of Kleinbans & Simonson against Samuel H. Jones, of Philadelphia and others, seeking to enforce a contract for the purchase of the Oak Hall property at the corner of Fourth and Jefferson streets, Louisville, was decided in the United States Court in that city Tuesday morning by Judge Barr in favor of the defendant. Kleinbans & Simonson entered into a contract with Dr. Pope,

Jones' agent, to buy the property for \$120,000. Dr. Pope submitted the offer by telegraph, to Jones, who accepted the terms mentioned. Subsequently a contract in writing was drawn up at Louisville, which, however, differed with the contract communicated by telegraph, principally in that a commission was provided for John A. Stratton & Co., the real-estate agents. Jones then refused to deliver a deed to the property and subsequently sold it to Messrs. Crutcher & Starks. Kleinbans & Simonson's suit for breach of contract followed. Messrs. Crutcher & Starks will tear down the old building and erect a handsome new structure in its place in a short time.

Increased \$100,000.

Senators Lindsay and Blackburn have succeeded in getting the appropriation for the improvement of the Kentucky river in the River and Harbor bill increased from \$100,000 to \$200,000, and the bill has been reported to the Senate with the increased amount in it. The Senators will doubtless have no trouble in making the amendment stick in the bill until it goes back to the House, where Gov. McCreary and Col. Al. Berry will see after it. With this increased amount lock and dam No. 7 should be gotten well under way this season.

A Breeder of Disease.

We called attention to the fact several weeks ago that the perfectly constructed sewer running south on Main street from the intersection of Third, South Frankfort, would prove a pestilence breeder, as it has no traps or catch basins and is scarcely covered with earth in many places. At the time we wrote the former item a gentleman in the immediate vicinity was suffering from an attack

of typhoid fever, and now a bright blue-eyed little girl is dangerously ill with diphtheria just across the street from where foul gases are continually issuing from the mouth of this sewer. Diphtheria is known to be one of the most fatal as well as most contagious of diseases to which children are subject, and within the distance of a block east and west from the point named there are fully twenty-five children living. It seems to us prompt action should at once be taken to abate this nuisance before this dreadful disease begins to spread and the lives of all the little ones in that section of the city be endangered.

WOMAN SHOT.

Maggie Owsley Receives a Bullet From a Pistol in the Hands of Conrad Hertel.

A woman of the town by the name of Maggie Owsley was shot in the abdomen Tuesday night, the ball passing through and lodging against the skin of her back, inflicting a wound from which she will doubtless die. The woman lives in a house on the west side of Wilkinson street near the corner of Mero, and it seems that a man whose name she did not know was at her house Sunday night and returned Tuesday night about 10 o'clock. He had a pistol and took it from his pocket when some conversation in regard to it took place. She asked to see it, and as it was a double acting pistol, he attempted to half cock it before giving it into her hands, to prevent an accident, but in so doing his thumb slipped from the hammer and the weapon was discharged, the ball striking and wounding her as above stated. As soon as the man saw what he had done he ran through the house and disappeared on the river bank. She described him to the police as best she could and they began a search for him. Wednesday afternoon Conrad Hertel, a barber in the employ of Mr. Alex. Szymanski, surrendered to Constable H. D. Harrod, admitting that he shot the woman accidentally. He was placed in jail to await an examining trial.

The woman came to this city from Knoxville, Tennessee, about five years ago and has made this her home ever since. Her real name is said to be Maggie Lambert.

Deaths.

MANDHLER—George B., the infant son of Mr. and Mrs. W. G. Mandhler, died at the home of his parents, in this city, Monday morning, aged 10 months, after a week's illness. The funeral took place Tuesday afternoon from the Church of the Good Shepherd.

ROBERTS—Ernest, the infant son of Mr. E. J. Roberts, of the ROUNDABOUT office, died Wednesday night at the home of his parents on High View, after an illness of about ten days with diphtheria, aged four years. The little fellow was a bright promising boy to whom his fond parents were devotedly attached and his untimely death is a great blow to them. His funeral took place yesterday at 10 o'clock, and the remains were interred in the cemetery.

WILLIAMS—Mrs. Clementine Williams, wife of Dr. U. V. Williams, died at the family residence on Steele street, Wednesday morning about 11 o'clock, aged 63 years, after years of intense pain and suffering, having been a victim of chronic rheumatism, which disease had rendered her entirely helpless.

She was a devout Christian, for many years a member of the Presbyterian Church, and exhibited in life and conversation the beauties of the religion she professed. She had spent the greater portion of her life in this city and county, where she had scores of friends and relations, who will deeply feel her loss. In health she was to her neighbors as an angel of mercy in the hour of their affliction and to her family and friends a kind, gentle and tender counselor in time of trouble. Her soul, purified by suffering, has but left its mortal tenement to put on the crown prepared for her in the realms of eternal rest, and to the summons "come up higher" she joyfully responded, welcoming it as a sweet release from long, weary years of untold agony. Her maiden name was Wilcox, and being left an orphan at an early age, was raised by the late Captain John W. Russell. She leaves, besides her husband, two children—Mr. John W. R. Williams and Miss Pattie Williams, of this city—and two brothers—Hon. John W. and Mr. Joseph Wilcox, of California—to mourn her loss.

The funeral took place from the Southern Presbyterian Church yesterday morning at 10 o'clock.

Birth.

WILLIS—In this city, on Wednesday, July 10th, to Col. George L. Willis, editor of the Capital, and wife, a daughter—Martha Stanton; weight 8 pounds.

A horse kicked H. S. Shafer, of the Freemeyer House, Middleburg, N. Y., on the knee, which laid him up in bed and caused the knee joint to become stiff. A friend recommended him to use Chamberlain's Pain Balm, which he did, and in two days was able to be around. Mr. Shafer has recommended it to many others and says it is excellent for any kind of a bruise or sprain. This same remedy is also famous for its cures of rheumatism. For sale by PHIL. CARPENTER, South Side Drugist.

The Game and Bird Law.

The act to protect game and small birds passed by the last Legislature of Kentucky and now in effect, makes it unlawful for any person, any year, to catch, kill, pursue with intent to kill or have in possession after being caught or killed, such game or birds as follows: Black or fox squirrels between February 1 and June 15; wild ducks or geese between April 1 and August 15; woodcocks between February 1 and June 20; quail, pheasant or partridge, between January 1 and November 15; doves between February 1 and August 1; no song or insectivorous bird such as robins, larks, red, cat or blue bird, orioles, thrush, can at any time be caught, killed, pursued with such intent or be in the possession of any person after being caught or killed. No person can at any time catch, kill, or take by means of a net, trap, box or snare, any partridge, quail or pheasant, or have same in possession after being so caught, killed or taken. No person can rob or destroy bird's nests of any kind except those of predatory or destructive nature. Those guilty of offenses before mentioned shall be fined not less than \$5 nor more than \$25 for each separate and dis-

ting offense. Exposing for sale such game as birds subjects the party so doing to a like fine. If any officer is satisfied that any of the provisions of this law have been violated he shall issue a warrant for the guilty party and cause any house, market house, package or car to be searched and the party in whose possession the game or birds are found, arrested.

The Massie Case Continued.

The Massie case was called before Judge Cram, special Judge, last Thursday, and on motion of defendant, continued until the October term of court. One of the reasons was, that Senator Jo Blackburn the defendant's attorney, was unable to attend this term. On the following day a motion was made for reduction of the bail, but Judge Cram refused to reduce it and on Saturday the prisoner was returned to the Frankfort jail.—Owen News.

Why Don't You Stop.

These words are very familiar to our readers as not a day passes with-out the report of the sudden death of some prominent citizen. The expla-nation is "Heart Disease." Therefore beware if you have any of the follow-ing symptoms: Short Breath, Pain in Side, Smothering Spells, Swollen Ankles, Asthmatic Breathing, Weak and Hungry Spells, Tenderness in Shoulder and Arm, Fluttering of Heart or Irregular Pulse. These symptoms mean heart disease. The most reliable remedy is Dr. Mile's New Heart Cure, which has saved thousands of lives. Book of testimonials free at J. W.
